CUSTOMER LETTER

Our goal is to continue to improve and stay the nations **NUMBER ONE** basement waterproofing and repair contractor. Please take a moment to tell us how your experience with EVERDRY'S project manager and project team was. Thank You.

The team were prompt and early on their arrival and very courteous. The foreman handed us all the necessary paper work and thoroughly walked us through the work site explaining all to be done.

They were hard at work immediately. The job was completed in two days, which was ahead of schedule. We would recommend this group and your company to anyone we know who needs their basement waterproof.

Thanks,
Kathy & Chip
